American Consulate-General,

Calcutta, India, March 11, 1916.

The Secretary to the Government of India
in the Foreign and Political Department,
Simla, Punjab.

Sir,

I have to acknowledge the receipt of your letter No.269-G. of the 6th instant informing me that the Mysore Durbar have requested that they may be supplied with a copy each of the reports and other publications of the United States Public Health Service.

I have referred this matter to the American Consul at Madras, and instructed him to communicate with the State Department requesting that these publications be forwarded, as desired, to the Mysore Durbar. I am quite sure that the Public Health Service of the United States will be very glad to furnish these publications, as requested.

I have the
